Company Introduction

is a brand name of the **PARSHI Training & Technical Services Pvt. Ltd.**, Jaipur. **CADDESK** is established with an objective to provide training in the field of CAD / CAM and represent the leading software companies as their channel partner to market software developed by them in the field of CAD / CAM.

We have our head office at tonk Road,, Jaipur and more than 20000 students have been given training on CAD / CAM software hardware in last 13 years. It is first centre of the state having multi Authorization for Software Training through our centre we offer the widest range of vertical courses in Architectural, Civil, Mechanical, Electrical, Electronics, Jewelry and Project Management.

Our faculties are experts in the respective fields backed up by a highly competent team of professionals. The experts have long experience and thorough knowledge in their areas of expertise. The capabilities, beside the in house engineering personnel field are further augmented through the services of selected consultants who are available for the supporting areas. We want to develop the complete technical support facilities for the Industry at our company through trained men power.

Our training programs are comprehensive and are structured in a way that will impart industry specific skills to students, customers and executive from diverse backgrounds. They are encouraged to work on their own projects during the training program to make it more interacting, interesting and useful.

Why CADDESK is uniquely positioned to be associate with your esteem college.
