

## **JD- Operations Profile**

### **COMPANY PROFILE:**

**Bharat Stars Services Private Limited (BSSPL)** is a Joint Venture Company of Bharat Petroleum Corporation limited (BPCL) - and St-Airport Services Pte Ltd (STARS) Singapore. BSSPL was incorporated in September 2007 & started its first commercial operation at the new Bengaluru international Airport when the Greenfield airport started its commercial operations and later in new Terminal III of I.G.I.A Airport, New Delhi since July 2010. BSSPL is working at the Mumbai International Airport since January 2015.

BPCL & STARS own 50% equity each in the JV Company. Both BPCL & STARS are reputed specialists in the aviation fuel logistics & total supply chain management, including the provision of ITP services with many years of experience & outstanding track record. BSSPL therefore has inherited full benefits & wealth of Indian & International experiences.
